\*Demographic figures are an average of the 2022 twelve monthly Characteristics of the Insured Unemployed reports. Totals will not match total number of recipients for the year.

NUMBER OF UI RECIPIENTS

DURATION OF UI BENEFITS

- Recipients represent the number of persons receiving at least one UI benefit payment during the year.
- The number of UI recipients decreased (-43,739) to 63,035 for calendar year 2022 from 106,774 UI recipients in calendar year 2021. This is a decrease of (-281,171) from the 2020 (pandemic) recipient number of 344,206.
- The maximum duration of UI benefits for most UI claimants is 26 weeks. The maximum duration was reduced to 16 weeks for new claims filed effective July 2022. Duration measures the 12 month average of regular UI benefits only.
- The duration of benefits for calendar year 2022 was 10.7 weeks, a decrease from the previous two years 2021 (13.5) and 2020 (12.2).

Source: Iowa Unemployment Insurance Statistics. Note: The UI system was primarily designed to serve people who lost their last job. These characteristics do not necessarily reflect job leavers, new entrants, reentrants, and benefit exhaustees. Only regular UI claims are represented here. Typically about 35% to 45% of unemployed persons are receiving UI benefits in Iowa. This may be higher during recessions.
